

The Dementia Research Awhi Development Centre

# Delivering Excellence in Dementia Care

Friday, 28 October, 2011

Venue:

AF Conference Centre, 90 Akoranga Drive, AUT University's North Shore Campus

This conference has something for everyone involved in the care of people with dementia, be it in the community, residential care or in an acute hospital setting. It is an opportunity to step up to change, with expert speakers addressing policy, governance, clinical needs, and the design and delivery of services.

## Keynote Speakers

**Professor June Andrews**, Director, Dementia Services Developmental Centre, Stirling University, Scotland

Professor Andrews is a registered nurse. She is called upon internationally by governments, local authorities, health service providers, the private sector & voluntary organisations for advice on improving services for people with dementia. Her emphasis is on what is practical and can make a difference.

**Colm Cunningham**, Director of the Dementia Centre, Hammond Care, Sydney, Australia

Colm is a registered nurse and social worker. He has undertaken a range of research on the needs of people with dementia covering subject areas such as pain care, night care, and acute hospital care. Colm is co-author of the book *Caring for People with Dementia in Acute Care Settings*.
