Conditions

Regulation 3.9.4 states:

"New members joining for the first time, or rejoining after a break in membership due to overseas travel, parental leave, working outside of the profession or similar, may be required to pay only the appropriate proportion of the annual membership subscription, if joining after 30 June. The application of this subsection will be at the discretion of Council."

If you are in doubt about whether a break in membership will be approved please contact NZAOT national office on nzaot@nzaot.com, or phone (04) 473-6510.

When joining after 30 June you will receive services from the date of receipt of your application, including *OT Insight* and (for full, proportional and first professional year members) the *NZ Journal of Occupational Therapy*.

Completion of Membership Application Form

Please tick the box for the appropriate category of membership on the form and write the appropriate subscription amount in the space provided under Subscription Details. Former members with a break in membership should also include a brief note stating the reason for the break.
